

Dear May

1906 - 13

Received The latest  
bulletin & it sure is  
exciting to read all the  
letters and hear that so  
many are coming. Wonder-  
ful to have Mrs. Rayner  
too. I would be glad to  
be in charge of the  
picnic at Tanamakoon  
if the plan goes through.  
We can bring at least one  
canoe also, if there is  
any need for more. So  
far no one has indicated  
that they would like to  
drop in here either before  
or after the reunion. I  
guess it is a little soon  
yet. We can phone you  
at Rouville on Monday  
night to see if there is  
anything you wish us  
to do or bring. Adieu

MARG - I was so pleased to receive your letter indeed you have had more than your plate full this past year

If by any chance you can come at the last minute - please do - we expect to be the only guests at Ronville, so there will be no problem re accommodation.

Forgive me for spelling your maiden name incorrectly only by reading things from Winn's scrapbook, like the graduation program did I realize the error.

Spelling seems to be my problem with these bulletins how do you spell "Wardley's problem" in her letter to me she spelled it "HODKINS" I seem to have tossed in an extra "S" I always thought it had a "G" - and the "legal secretary's dictionary" which seems to be the only one I can find in this office is no help!!!

When I visited Winn and Russ a few weeks ago Winn said to me

"WHAT ARE YOU PLANNING FOR THE BANQUET MARJ" and I replied

"ROAST BEEF" she broke up on that one and said "I mean program"

Well I didn't sleep well for many nights; until I reached Lakefield and reported my dilemma to Brownie... I.....WE thought all we had to do was check out accommodation on Monday eve, charge our glasses; drink a toast to each other, and drop into the land of nod mission accomplished.....

so.....Brownie made short work of that problem... she nominated.....I seconded.....and all you lovely persons carried the motion in absentia...

"OUR HEAD GIRL - WINN MACLENNAN JOHNSTONE will be Chairman of our banquet - and if she runs out of ideas or needs any help - once again duly nominated seconded and carried the motion that

"OUR VALEDICTORIAN - PATTY STERNE SANDERS SHOULD BE HER SIDE-KICK"

I have not done well with the xeroxing this time - seem to have cut off bottom lines - signatures, etc the punch line in my note to Jarvis for instance was "when I got to Lakefield, Brownie took the wind right out of my sails with her opening remark - just had a call from Jarvis"

As soon as I xerox this last page, I'm on my way for a quick trip to see Anne and Ned Toole (they don't know it but they are going to help me with the envelope stuffing)

All the best take care drive carefully and get to Ronville as early as you can on Tuesday

Marj.

P.S. Patty tells me you sail "backwards" Frank -

Dear Marge.

Here I am!! just received Winn's letter & hasten to write to you - will fill you in on the details & maybe you will understand why you have not heard from me sooner.

First of all I'm sorry to say I will not be able to be with you all in September.

We have been in N.S. since June 24. now to go back -

Last September Mother decided to sell the house - so spent a month sorting out things & getting her all settled in a lovely new apt. in Fonthill - she was only in 6 weeks

& after a short illness died Dec 16. After a hectic Christmas, finally got her apt. cleared out - then came lawyers etc. & that took me up to Anna's wedding, June 9. - which planning

had to be done among all the  
above - we came down here  
June 24 & all the kids +  
wives & husbands + 8 grand-  
children have been her ever  
since!!

two go home end of August  
at which time Gordon (who  
looks after the place + 3  
horses) goes on holiday for  
3 weeks.

A very dear friend of  
mine has been given to fall  
to live due to cancer & I  
want to spend some time  
with her especially as I have  
been away so long.

Maybe I really

appreciate all your letters sent  
to me & do wish I could  
be there. So hard to believe  
time has gone by so fast.

A special warm hello! to  
Miss Layton.

Bo ming - Thruited Ship is  
do say hello to  
her for me - if there are  
any bullitons after, would  
love to receive one.

As ever -  
May

(DAVIDSON).
